Massachusetts College of Liberal Arts

Class of 2013

Dear Members of the Class of 2013:

Congratulations on your graduation from Massachusetts College of Liberal Arts!

You should be proud of what you have achieved by earning your baccalaureate or master's degree from MCLA. Know that the faculty and staff of MCLA are proud of you as well. We know that earning your degree is an important milestone, and that you will apply what you learned at MCLA during the next stage of your journey as students, professionals, and as engaged global citizens.

As you think about what your time at MCLA has meant to you, be aware of how much you have meant to us. It has been a true joy to watch you learn, lead, and grow through your experiences with undergraduate research, athletics, performance, community service, and involvement with clubs and organizations. Through your contributions to our community, you have made MCLA a stronger place.

I hope you will carry warm memories of MCLA with you and that you always will treasure the relationships developed with members of the faculty and staff, and the lifelong friendships you have built with fellow classmates. I encourage you to nurture and sustain these connections in the years to come. As you remain in contact with your friends and colleagues, please also keep in touch with the Alumni Office so that we can celebrate your accomplishments and welcome you at Alumni events.

It has been a pleasure and a privilege to serve as president during your time at MCLA. I wish each member of the Class of 2013 – my fellow alumni – all the best.

Sincerely,

Mary K. Grant, Ph.D.
